The Price & Lee Company is pleased to publish the 1973 edition of the Springfield City Directory. The City Directory contains household and business information within five major sections.

- I. The Buyers Section, printed on ivory paper, displays under appropriate headings, those advertisers within the community who ardently support the directory service and desire to make a presentation of their products and services.
- II. The Classified Section, printed on yellow paper, lists alphabetically under appropriate headings those businesses contained throughout the City Directory, serving as a comprehensive guide of the business sector in the community.
- III. The Alphabetical Section, printed on white paper, is a complete alphabetical listing of all available households and businesses; and defines that information according to home and business addresses, occupations, marital status, etc.
- IV. The Street Section, printed on green paper, contains in alphabetical sequence all streets; and list under each street description in numerical or house sequence the dwellings on that street, the occupant, telephone number if possible, and an indication of whether the home is privately owned. Business information is characterized by job description where pertinent.
- V. The Telephone Section, printed on blue paper, is a complete list of all phones numerically listed under appropriate exchanges giving telephone number and owner.

The five sections of the City Directory, along with the introduction (including governmental information) gives a complete survey of the population of the Springfield community.

Freedman Mayor, George C. Wheeler, Jr., Members; Superintendent, Martin J. Shaughnessy. Office, (323) City Hall; Service Building and Yard, 71 Colton. Office Hours: 8:15 a. m. to 4:45 p. m., Monday thru Friday. Telephone: (applications and information) 736-2711; (work and trouble calls, day or night) 732-5188. The supply of water is taken from The Little River Watershed (situated principally in the towns of Blandford, Granville and Russell) and by means of the following structures:

	Capacity in Gallons
Borden Brook Reservoir (impounding).....	2,500,000,000
Cobble Mt. Reservoir (impounding).....	22,829,000,000
Intake Reservoir (diverting).....	40,600,000
Sedimentation Basin (before filtering).....	38,700,000
Provin Mountain Reservoir (after filtering).....	60,000,000
TOTAL	25,468,300,000

The former supply from impounding reservoirs in Ludlow and Belchertown is also retained at present for towns of Ludlow and Wilbraham and for emergency uses, and with its storage capacity of 1,434,218,000 gallons make an aggregate capacity of 26,871,798,000 gallons.

Range of pressure on mains for day and night as follows: Main Street level, maximum, 147 pounds, average 140 pounds. Hill Section level, maximum, 87 pounds, average, 80 pounds.

The entire supply of city water to any premises is furnished by meter only and at meter rates; the necessary meters are installed by the water department at expense of the consumers for the initial cost of meters and connections only.

The cost of ordinary care and repair of all meters is borne by the water works; the cost of unusual repairs (necessitated by freezing, hot water, etc.) due or attributed to any carelessness, or neglect on the part of the consumer, will be charged to the consumer or owner.

Responding to the community's needs, in a big way.

When a prime tenant was needed for the prime building in Springfield's core redevelopment, Baystate West . . . Valley Bank was approached and Valley Bank responded with a substantial commitment. And we think this represents a tradition of leadership.

We have been pioneers in the valley with Hampden County's largest branch office system, with economic seminars for the business community, with dozens of innovative banking services . . . and with unmatched involvement in civic affairs.

The Crematory has three retorts of the latest modern construction. The Chapel has a seating capacity for 150. It is also equipped with a Hammond Organ.

A Cremation Order from the nearest relative and the Transit Permit is required. The Massachusetts Medical Examination for out-of-State cases is made at the Crematory.

The Columbarium is a repository for Cremated Remains. There is also a general vault where these remains may be kept, should the family be undecided as to the final disposition. Prices may be had upon application at the office.

MEMBER ASSOCIATION OF NORTH AMERICAN DIRECTORY PUBLISHERS

Common Sense

About City Directory Circulation

THE true value of advertising circulation is circulation consulted.

TO be exact by actual survey in twenty-four average American cities by actual count each city directory averaged three and one-half consultations for each business day.

TO be conservative we will eliminate the sixty Sundays and Holidays when no tests were made.

FOR every thousand directories sold there will be an average of three and one-half daily consultations for each book for three hundred and five days, therefore—

$$1000 \times 3\frac{1}{2} \times 305 =$$
$$1,067,500$$
